Webinar FAQs

Q) When will the webinar begin?

A) Each webinar begins promptly at the advertised start time. We ask for all participants to be logged in and ready, with speakers enabled, to the system 5 minutes before.

Q) What happens during the webinar?

A) After a brief welcome, the tutor William Hanson will start a presentation with photographs and diagrams. Accordingly, we ask that you have a large enough screen in order to see this.

Q) Will participants be in vision?

A) No. The only person in vision will be the webinar tutor, William Hanson.

Q) Will participants' microphones be live?

A) No. Participants can interact by asking as many questions as they like during the webinar by using the chat function to the side of the main screen.

Q) Can I rewatch the webinar after it ends?

A) Yes. All registered participants can replay the webinar as many times as they like shortly after the webinar comes to an end. They are sent a link via email that enables this. Even if registered participants miss the scheduled webinar they are still emailed this replay link.
